Cathode Ray Tubes can be either Color Picture Tubes "CPTs" or Color Display Tubes "CDTs" collectively referred to as "CRTs." CRT Finished Products are electronic devices containing CPTs (televisions) or CDTs (computer monitors). **In order to qualify as a claim, your purchase(s) must have been billed to and/or shipped to a location in the United States.** Foreign transactions where billing and shipping took place outside of the U.S. do not qualify. **If you have submitted a request for exclusion from the Class in connection with settlements, do not submit this Claim Form. Also, if you entered into a settlement with any Defendant or Co-Conspirator for your purchase(s) from that Defendant or Co-Conspirator, or assigned or transferred your claim for any purchase(s), your Claim Form must not include, as part of your claim, any of those purchases.** For example, if Class member A purchased \$10,000 from defendant 1 and entered into a settlement with defendant 1 for those purchases, that \$10,000 must not be included as part of Class member A's claim. Failure to include all purchases will reduce the amount of your payment. You **DO NOT** need to attach documentation. However, you must keep copies of your purchase order(s), invoice(s), or other documentation of your purchase(s) in case verification of your claim is necessary.

In Sections A, B, and C below, list the total dollar amount (in U.S. dollars) of your purchases of Cathode Ray Tubes and/or CRT Finished Products made directly from each Defendant or Co-Conspirator from March 1, 1995 through November 25, 2007. **Amounts should be rounded to the nearest dollar.** Do not include transportation charges, rebates, refunds, credits, etc. If you did not purchase Cathode Ray Tubes or Cathode Ray Tube Products from a Defendant or Co-Conspirator, or if you settled with a particular Defendant or Co-Conspirator, assigned or transferred your claim, leave the boxes corresponding to that Defendant or Co-Conspirator blank.
