**DECLARATION OF BRUCE L. SIMON
IN SUPPORT OF MOTION FOR
ATTORNEYS' FEES, REIMBURSEMENT
OF EXPENSES, AND INCENTIVE
AWARDS**

Date: June 8, 2017
Time: 2:00 p.m.
Judge: Honorable Jon S. Tigar
Courtroom: 9

1 I, Bruce L. Simon, declare and state as follows:

2 1. I am a founding partner of the law firm of Pearson, Simon & Warshaw, LLP
3 (“Pearson Simon”). I submit this declaration in support of Direct Purchaser Plaintiffs’ (“DPP”)
4 joint application for an award of attorney fees in connection with the services rendered in this
5 litigation. I make this Declaration based on my personal knowledge and if called as a witness, I
6 could and would competently testify to the matters stated herein.

7 2. My firm has served as counsel to plaintiff Crago Corporation (“Crago”) and as
8 counsel for the class throughout the course of this litigation. Throughout the litigation, Pearson
9 Simon has been in regular communication with plaintiff Crago to keep it apprised of the progress
10 of the case. The background and experience of Pearson Simon and its attorneys are summarized
11 in the *curriculum vitae* attached hereto as **Exhibit A**.

12 3. Pearson Simon has prosecuted this litigation solely on a contingent-fee basis, and
13 has been at risk that it would not receive any compensation for prosecuting claims against the
14 defendants. While Pearson Simon devoted its time and resources to this matter, it has foregone
15 other legal work for which it would have been compensated.

16 4. As described in greater detail in my declaration dated August 18, 2015, Pearson
17 Simon actively participated in the prosecution of this case from its inception. Among other things,
18 Pearson Simon filed the first direct purchaser Class Action Complaint in the United States District
19 Court for the Northern District of California on behalf of Crago, moved for centralization before
20 the Judicial Panel on Multidistrict Litigation, advised and consulted with Lead Counsel concerning
21 strategic decisions, drafted and edited critical pleadings and motions, prepared for and attended
22 Court hearings, coordinated offensive and defensive discovery efforts, and took critical
23 depositions. Pearson Simon performed this work on behalf, and for the benefit, of the direct
24 purchaser class.

25 5. Pearson Simon was actively involved in the resolution of the direct purchaser
26 plaintiff class’ claims against the Thomson and Mitsubishi Electric Defendants. Pearson Simon
27 worked with Lead Counsel to formulate settlement strategies and communicated directly with
28

1 defense counsel to negotiate settlements. In addition, Pearson Simon assisted Lead Counsel in
2 preparing litigation strategies for the Thomson and Mitsubishi Electric Defendants, reviewed
3 documents pertaining to the Mitsubishi Electric, and attended the deposition of a Mitsubishi
4 Electric witness.

5 6. Attached hereto as **Exhibit B** is my firm's total hours and lodestar, computed at
6 historical rates, from the inception of DPPs' case against the Mitsubishi Electric Defendants and
7 the Thomson Defendants (Case No. 14-CV-2058-JST, filed May 5, 2014) through October 31,
8 2016. The total number of hours spent by Pearson Simon during this period of time was 53.70,
9 with a corresponding lodestar of \$30,410.50. This summary was prepared from contemporaneous,
10 daily time records regularly prepared and maintained by Pearson Simon. The lodestar amount
11 reflected in Exhibit B is for work assigned by Lead Counsel, and was performed by professional
12 staff at my law firm for the benefit of the DPP Class. None of these hours were included in
13 connection with DPPs' first fee and expense application (ECF No. 4055).

14 7. The hourly rates for the attorneys and professional support staff in my firm
15 included in Exhibit B are the usual and customary hourly rates charged by Pearson Simon.

16 8. I have reviewed the time reported by Pearson Simon in this case which are included
17 in this declaration, and I affirm that it is true and accurate.

18 I declare under penalty of perjury under the laws of the United States of America that the
19 foregoing is true and correct. Executed on March 29, 2017 at San Francisco, California.

Pearson, Simon & Warshaw, LLP (“PSW”) is an AV-rated civil litigation firm with offices in Los Angeles and San Francisco. The firm specializes in complex litigation, including state coordination cases and federal multi-district litigation. Its attorneys have extensive experience in antitrust, securities, consumer protection, and unlawful employment practices. The firm handles national and multi-national class actions that present cutting edge issues in both substantive and procedural areas. PSW attorneys understand how to litigate difficult and large cases in an efficient and cost-effective manner, and they have used these skills to obtain outstanding results for their clients, both through trial and negotiated settlement. They are recognized in their field for excellence and integrity, and are committed to seeking justice for their clients.

CASE PROFILES

PSW attorneys currently hold, or have held, a leadership role in the following representative cases:

- *In re Credit Default Swaps Antitrust Litigation*, Southern District of New York, MDL No. 2476. PSW attorneys recently served as co-lead counsel and represented the Los Angeles County Employee Retirement Association (“LACERA”) in a class action on behalf of all purchasers and sellers of Credit Default Swaps (“CDS”) against twelve of the world’s largest banks. The lawsuit alleged that the banks, along with other defendants who controlled the market infrastructure for CDS trading, conspired for years to restrain the efficient trading of CDS, thereby inflating the cost to trade CDS. The alleged antitrust conspiracy resulted in billions of dollars in economic harm to institutional investors such as pension funds, mutual funds, and insurance companies who used CDS to hedge credit risks on their fixed income portfolios. After nearly three years of litigation and many months of intensive settlement negotiations, PSW helped reach a settlement with the defendants totaling \$1.86 *billion* plus injunctive relief. On April 15, 2016, the Honorable Denise L. Cote granted final approval to the settlement, which is one of the largest civil antitrust settlements in history.

PEARSON, SIMON & WARSHAW, LLP

- *In re TFT-LCD (Flat Panel) Antitrust Litigation*, Northern District of California, MDL No. 1827. PSW served as co-lead counsel for the direct purchaser plaintiffs in this multidistrict litigation arising from the price-fixing of thin film transistor liquid crystal display (“TFT-LCD”) panels. Worldwide, the TFT-LCD industry is a multi-billion dollar industry, and many believe that this was one of the largest price-fixing cases in the United States. PSW helped collect over \$405 million in settlements before the case proceeded to trial against the last remaining defendant, Toshiba Corporation and its related entities. PSW partner Bruce L. Simon served as co-lead trial counsel, successfully marshaled numerous witnesses, and presented the opening argument. On July 3, 2012, PSW obtained a jury verdict of \$87 million (before trebling) against Toshiba. PSW later settled with Toshiba and AU Optronics to bring the total to \$473 million in settlements. In 2013, California Lawyer Magazine awarded Mr. Simon a California Lawyer of the Year Award for his work in the *TFT-LCD* case.
- *In re Potash Antitrust Litigation (No. II)*, Northern District of Illinois, MDL No. 1996. PSW partner Bruce L. Simon served as interim co-lead counsel for the direct purchaser plaintiffs in this multidistrict litigation arising from the price-fixing of potash sold in the United States. After the plaintiffs defeated a motion to dismiss, the defendants appealed, and the Seventh Circuit Court of Appeals agreed to hear the case *en banc*. Mr. Simon presented oral argument to the *en banc* panel and achieved a unanimous 8-0 decision in his favor. The case resulted in \$90 million in settlements for the direct purchaser plaintiffs, and the Court’s opinion is one of the most significant regarding the scope of international antitrust conspiracies. *See Minn-Chem, Inc. v. Agrium Inc.*, 683 F. 3d 845 (7th Cir. 2012).
- *In re Lithium Ion Batteries Antitrust Litigation*, Northern District of California, MDL No. 2420. PSW attorneys serve as interim co-lead counsel for the direct purchaser plaintiffs and represent the Liquidating Trustee for the Circuit City Stores, Inc. Liquidating Trust in this multidistrict class action litigation arising from the price-fixing of lithium ion batteries. The case involves allegations of collusive activity by a cartel made up of the world’s largest manufacturers of lithium ion batteries, which are used in everything from cellular phones to cameras, laptops, and tablet computers. PSW filed one of the earliest cases on behalf of the direct purchasers and successfully argued before the Joint Panel on Multidistrict Litigation for consolidation of the cases in the Northern District of California. PSW, along with its co-counsel, organized a leadership structure of three firms, winning appointment by Judge Gonzalez Rogers as co-lead counsel for the putative class of direct purchasers on May 17, 2013.

PEARSON, SIMON & WARSHAW, LLP

- *In re Keurig Green Mountain Single-Serving Coffee Antitrust Litigation*, Southern District of New York, MDL No. 2542. In June 2014, Judge Vernon S. Broderick appointed PSW to serve as interim co-lead counsel on behalf of indirect purchaser plaintiffs in this multidistrict class action litigation. The case arises from the alleged unlawful monopolization of the United States market for single-serve coffee packs by Keurig Green Mountain, Inc. Keurig's alleged anticompetitive conduct includes acquiring competitors, entering into exclusionary agreements with suppliers and distributors to prevent competitors from entering the market, engaging in sham patent infringement litigation, and redesigning the single-serve coffee pack products in the next version of its brewing system to lock out competitors' products.
- *In re National Collegiate Athletic Association Athletic Grant-in-Aid Cap Antitrust Litigation*, Northern District of California, MDL No. 2451. PSW attorneys currently serve as interim co-lead counsel in this multidistrict litigation that alleges the NCAA and its member conferences violate the antitrust laws by capping the value of grant-in-aid athletic scholarships at far below the actual cost of attending school, and far below what the free market would bear.
- *Senne, et al. v. Office of the Commissioner of Baseball, et al.*, Northern District of California, Case No. 14-cv-0608. PSW attorneys currently serve as interim co-lead counsel in this putative nationwide class action and FLSA collective action on behalf of minor league baseball players who allege that Major League Baseball and its member franchises violate the FLSA and state wage and hour laws by failing to pay minor league baseball players minimum wage and overtime.
- *In re KIND LLC "Healthy and All Natural" Litigation*, Southern District of New York, MDL No. 2645. PSW partner Daniel L. Warshaw currently serves as interim co-lead counsel in this putative nationwide class action on behalf of consumers who allege that they purchased KIND snack bars that were falsely advertised as "all natural," "non-GMO," and/or "healthy."

PSW attorneys currently serve as interim co-lead counsel in this putative nationwide class action on behalf of consumers who allege privacy violations arising from software installed on their mobile devices that was logging text messages and other sensitive information.
- *Sciortino, et al. v. PepsiCo, Inc.*, Northern District of California, Case No. 14-cv-0478. PSW attorneys served as interim co-lead counsel in this putative California class action on behalf of consumers who allege that PepsiCo failed to warn them that certain of its sodas contain excess levels of a chemical called 4-

PEARSON, SIMON & WARSHAW, LLP

Methylimidazole in violation of Proposition 65 and California consumer protection statutes.

- *James v. UMG Recordings, Inc.*, Northern District of California, Case No. 11-cv-01613. PSW partner Daniel L. Simon served as co-chair of discovery and as a member of the trial preparation team in this multidistrict litigation arising from the price-fixing of DRAM, a form of computer memory. Mr. Simon was responsible for supervising and coordinating the review of almost a terabyte of electronic documents, setting and taking depositions, establishing and implementing protocols for cooperation between the direct and indirect plaintiffs as well as the Department of Justice, presenting oral arguments on discovery matters, working with defendants on evidentiary issues in preparation for trial, and preparation of a comprehensive pretrial statement. Shortly before the scheduled trial, class counsel reached settlements with the last remaining defendants, bringing the total value of the class settlements to over \$325 million.
- *In re Methionine Antitrust Litigation*, Northern District of California, MDL No. 1311. PSW partner Bruce L. Simon served as co-lead counsel in this nationwide antitrust class action involving a conspiracy to fix prices of, and allocate the markets for, methionine. Mr. Simon was personally responsible for many of the discovery aspects of the case including electronic document productions, coordination of document review teams, and depositions. SENIOR COUNSEL

GEORGE S. TREVOR

George S. Trevor has focused his practice for the past 26 years representing investors in securities class actions, securities arbitrations, and complex business litigation. Since joining Pearson, Simon & Warshaw, LLP in 2009 as Senior Counsel, Mr. Trevor has been the senior attorney on a number of the firm's important cases. Those include *In re Credit Default Swaps Antitrust Litigation*, where the firm helped secure a historic \$1.86 billion settlement on behalf of purchasers and sellers of CDS, and *In re Lehman Securities and ERISA Litigation*, where the firm represented California public entities that purchased Lehman securities prior to its bankruptcy.

Mr. Trevor also represents bankruptcy trustees as special litigation counsel against former directors, professionals and financial institutions, and recently obtained a substantial settlement on behalf of an investor plaintiff class against a national bank alleged to have aided and abetted a Ponzi scheme.

Prior to joining Pearson, Simon & Warshaw, LLP, Mr. Trevor was managing partner of Trevor & Weixel LLP. Mr. Trevor's significant cases at Trevor & Weixel included a class action brought on behalf of former employees of Eel River Sawmills. Mr. Trevor was instrumental in obtaining a \$5 million settlement for a class of approximately 400 workers who had lost significant amounts promised to them under the company's Employee Stock Ownership Plan. Mr. Trevor was lead trial counsel in a multi-claimant securities arbitration against a brokerage firm tried in New Orleans in 2007-2008. Following twenty days of hearing and immediately prior to the panel's decision, Mr. Trevor negotiated substantial settlements on behalf of all claimants.

Mr. Trevor also practiced for 11 years at Gold & Bennett. Among his cases there was a class action brought on behalf of the former shareholders of the Pacific Lumber Company. In 1985, Charles Hurwitz launched a hostile takeover of Pacific Lumber. Mr. Hurwitz, assisted by Michael Milken and Ivan Boesky, succeeded in forcing a shareholder buyout at \$40 per share. The class action complaint alleged that the buyout was obtained through the dissemination of fraudulent offering materials to shareholders. On the eve of trial, Mr. Hurwitz agreed to a \$52 million settlement. Combined with other settlements, the Pacific Lumber shareholders received over \$140 million in additional compensation for their shares, one of the largest recoveries in securities litigation at the time. Mr. Trevor was also instrumental in the recovery of \$19.2 million by the shareholders of Digital Microwave Corporation. Mr. Trevor has litigated cases against hedge funds, real estate limited partnerships, software and hardware companies, alternative energy companies and accounting firms, among others.
